

# 2017 CHARDONNAY

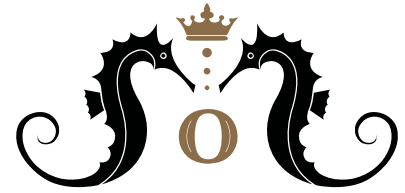

*Single Vineyard*

We produce our single vineyard Chardonnay from SIP Certified Spanish Springs Vineyard; the closest vineyard to the ocean in California. The extreme maritime climate coupled with a soil combination of limestone, sandstone and shale enable us to create a fresh, lean Chardonnay; atypical from traditionally styled California Chardonnay.

#### A FEW FACTS ABOUT OCEANO AND SPANISH SPRINGS VINEYARD:

- Certified, Sustainability in Practice
- 1.5 miles from the coast of California
- Limestone, sandstone and shale soil combination
- San Luis Obispo County AVA
